

Sale Name: Spring Equipment Auction 2025

LOT 0000 - Practice Bidding

Description Use this lot to practice bidding. Practice bidding will be available when the auction opens. Lots will have a "STAGGERED" and "SOFT CLOSE". You will be notified by email invoice if you are the winning bidder. Email invoices will be sent out after the Auction closes. What is a "STAGGERED CLOSE"? The lots do not close all at the same time. Lots will have a staggered closing using a mixed sequence. Follow the clock to the right of each lot to know the exact closing time of a particular lot. What is a "SOFT CLOSE"? If a bid is submitted and confirmed during the last 2 minute before closing, then the time will be extended on that lot by 2 minutes. This will continue until a full minute passes without a new bid on that lot.
